Delivery: The shipping schedule and delivery dates are approximate, subject to receipt of all necessary information in a timely manner. Phase 3 will use reasonable efforts to meet these schedules but in no event will authorize any short payment due to late delivery. Postponement of the shipment of any board on this order by more than 14 days beyond original invoice date without Phase 3 agreement is not allowed and Phase 3 reserves the right to invoice you for the price of the boards and reasonable storage and handling charges. Order Cancellation: Phase 3 Technologies, Inc. reserves the right to invoice you for the full amount of the order for boards that are scheduled to be shipped within 8 weeks of order cancellation for individual order and 12weeks of order cancellation for MRP driven blanket orders.
