To our customers,

Old Company Name in Catalogs and Other Documents

On April 1st, 2010, NEC Electronics Corporation merged with Renesas Technology Corporation, and Renesas Electronics Corporation took over all the business of both companies. Therefore, although the old company name remains in this document, it is a valid Renesas Electronics document. We appreciate your understanding.

RENESAS
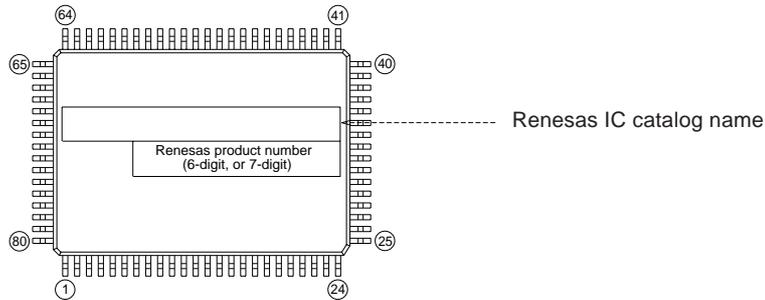

# 80P6N (80-PIN QFP) MARK SPECIFICATION FORM

Renesas IC catalog name [   ]

Please choose one of the marking types below (A, B, C), and enter the Renesas IC catalog name and the special mark (if needed).

A. Standard Renesas Mark

Renesas IC catalog name

Renesas product number
(6-digit, or 7-digit)

B. Customer's Parts Number + Renesas IC Catalog Name

Customer's Parts Number
Note   : The fonts and size of characters are standard Renesas type.
Renesas IC catalog name
Notes 1 : The mark field should be written right aligned.
       2 : The fonts and size of characters are standard Renesas type.
       3 : Customer's parts number can be up to 14 alphanumeric char-
           acters for capital letters, hyphens, commas, periods and so on.

C. Special Mark Required

Notes1 : If special mark is to be printed, indicate the desired lay-
         out of the mark in the left figure. The layout will be
         duplicated technically as close as possible.
         Renesas product number (6-digit, or 7-digit) and Mask
         ROM number (3-digit) are always marked for sorting the
         products.
     2 : If special character fonts (e,g., customer's trade mark
         logo) must be used in Special Mark, check the box be-
         low.
         For the new special character fonts, a clean font original
         (ideally logo drawing) must be submitted.

Special character fonts required
