

# Declaration of Conformity

In accordance with the following Directive(s) of the European Parliament and of the Council

We,

**Renesas Electronics Europe GmbH**

Arcadiastrasse 10  
D – 40472 Düsseldorf  
Germany

herewith declare, that the subsequent listed product:

**Model Name:** RSSKRX23E-A  
**Model Number:** RTK0ESXB10C00001BJ

is in conformity with the following Directive(s) of the European Parliament and of the Council on the harmonisation of the laws of the Member States relating to:

**2014/30/EU Electromagnetic Compatibility (EMC Directive)**

This declaration is based upon the following references to relevant designated standards and/or other technical specifications:

EMC

EN IEC 61326-1: 2021

EN IEC 61326-1: 2021 (CISPR 11: 2015+A1:2016+A2:2019 Group 1 Class A)

Test Report WE190624AC2-12, SGS Japan Inc.

Additional information:

The equipment can be operated under the following conditions:

☒ The equipment should be handled like a CMOS semiconductor device. The user must take all precautions to avoid build-up of static electricity while working with this equipment. All test and measurement tool including the workbench must be grounded. The user/operator must be grounded using the wrist strap. The connectors and/or device pins should not be touched with bare fingers.

☒ This is a 'Group 1 Class A' (BS CISPR 11: 2015+A1:2016+A2:2019) equipment. This equipment can cause radio frequency noise when used in the residential area. In such cases, the user/operator of the equipment may be required to take appropriate countermeasures under his responsibility.

The product can be used in a ☐ residential, ☐ commercial and light industry, and industrial ☒ area.
