

Product Change Notice (PCN)

Subject: Changes the mold resin material supplier for discrete products (IGBT & MOSFET)

Publication Date: 5/27/2022

Effective Date: 1/1/2023

Revision Description:

Initial Release

Description of Change:

Change the mold resin material supplier.

The newly applied manufacturer materials have the same performance and characteristics.

- Target site : ATX-Weihai
- Target outline : TO-3PFP

Affected Product List:

RJP60VODPM-80#T2	2SK2225-80-E#T2		

Reason for Change:

The mold resin material used in the product at ATX-Weihai is for the reason that production is terminated due to the manufacturer's convenience.

Impact on Fit, Form, Function, Quality & Reliability:

This change has no impact on form, implementation, functionality, quality, or reliability.

Product Identification:

The orderable part number remains unchanged.

It can be identified by T/C (Manufacture lot and For Renesas Electronics management) in the label.
