PCB Fabrication Quote  
 Part #: ISL85150EVAL1Z  
 Rev #: A  
 Customer Number:

**Estimate print only**

Dear Blake Stouder:

APCT, Inc. is pleased to quote the following printed circuit boards for the delivery times and quantities requested:

Special Notes:	The RFQ sheet call out 1 oz copper and dwg call out 2 oz. Used 1 oz due to line width and spacing. Also solder mask color is not the same we used green. (We used the RFQ sheet)

**Terms and Conditions**

- All prices are based on information supplied at the time of quotation. Prices and terms are subject to change for the following reasons:
  - Availability and review of Gerber data
  - Test Fixture Charges to be determined on review of Gerber data
  - Review of all documentation and customer specifications
  - Delivery schedule may need to be re-negotiated if the order is not placed within 48 hours after the quote is received
  - Special material, special processes or unusual handling requirements
  - Credit Approval
- Terms are Net 30
- All prices are quoted FOB, Santa Clara, CA
- For delivery of 3 plus weeks, this quote is valid for 30 days, if delivery is less than 3 weeks quote is valid for 24 hours
- Delivery schedule is based on working days M-F, weekends and holidays are excluded.

Orders for four days or greater must be received by 10:00 AM Pacific Time to count same business day that the data is received as day one.

Orders for 72 hours or less are counted by the hour starting on the business day approved data and PO is received.

All Credit Card orders greater than \$3,000 will receive a 3% service charge.

- Please Note: APCT's liability is limited to the cost of the printed circuit boards only
- If you have any questions regarding this quote please contact Customer Service at (408) 727-6442

**Respectfully Submitted,**
