

## Product Advisor (PA)

**Subject:** Correction to Standard Microcircuit Drawing 5962-99558 for Intersil Products HSO-1825A\*

**Publication Date:** 8/5/2016

**Effective Date:** 8/5/2016

**Revision Description:**

Initial Release

**Description of Change:**

This advisory is to inform you that Intersil has made corrections to DLA (Defense Logistics Agency) Land and Maritime SMD (Standard Microcircuit Drawing) 5962-99558 for the following Intersil products:

| Intersil Marketing Part Number | DLA PIN         |
|--------------------------------|-----------------|
| HSO-1825ARH-Q                  | 5962F9955801V9A |
| HSO-1825AEH-Q                  | 5962F9955802V9A |
| HSO-1825ARH/Sample             |                 |

The update corrects the die dimensions and die plot listed in the SMD. This is a correction only, no change to the product.

**Reason for Change:**

The correction aligns the SMD with the product characteristics. Details regarding the change are contained below. The updated SMD is available on the DLA website at:

<https://landandmaritimeapps.dla.mil/programs/smcr/default.aspx>

Die dimensions:

Changed from: 4710 microns x 3570 microns

Changed to: 4860 microns x 3410 microns

**Product Identification:**

Product affected by this change is identifiable via Intersil's internal traceability system.

**Qualification status:** not applicable

**Sample availability:** 8/5/2016

**Device material declaration:** Available upon request

*Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Intersil within 30 days of the publication date.*

| For additional information regarding this notice, please contact your regional change coordinator (below) |                                                                      |                                                                     |                                                                            |
